## Position Details

Comox Valley Better at Home is launching a volunteer transportation program in 2018 to provide occasional rides to seniors in our community for appointments or errands. Reporting to the Better at Home Program Coordinator, Volunteer Drivers will provide assisted transportation to seniors who are unable to drive or take public transit. This position requires solid driving skills and well developed interpersonal skills. This is an ideal position for an adult with a flexible schedule. What would be a small commitment from a volunteer would be a life changer for a local senior who needs to get out, but can no longer drive. A short orientation and training will be provided in late January (please call 250-871-1165 for dates).

## Tips and tricks for a new volunteer

- 1. Choose Wisely/Research and Do Your Homework:** There may be a specific aspect of animal welfare that is very important to you. Are you passionate about spay/neuter? Homelessness? Animal therapy? Pet nutrition? Take the time to seek out an organization whose mission speaks to you.
- 2. Ask For/Offer Referrals:** Let people know that you are looking to volunteer, and what your interests are. Your own community is an ideal place to reach out when looking to be connected to a group that means something to you. Once you find something you love—spreading the word is a great way to further the cause.
- 3. Don't Overcommit:** As eager as you are to make a difference, you don't want volunteer projects to rule your schedule. Make sure you balance your time carefully so that your professional life or family time doesn't take a critical hit.
- 4. Have Fun:** Helping others is its own reward, but it shouldn't feel like a chore. Even the most mundane task can be fun if you manage it with a sense of humor and excitement for making a difference.
- 5. Consider Your Skills:** Ask yourself what you have to offer: What skills do you have and how can they translate to helping your animal welfare agency? If you're a good photographer, maybe you can take pictures of the animals up for adoption.
- 6. Learn Something New:** Yes, you've got something to offer, but what else can you get out of this experience besides the joy of giving back? Trying things that may be out of your comfort zone forces you to learn and adjust—a skill all of us can benefit from.
- 7. Combine Your Goals:** Look for volunteer opportunities that will help you achieve personal goals in addition to the goal to do good. Maybe you want to shed a few pounds? Find a shelter that needs a dog walker.
- 8. Pull In The Same Direction:** While you may have your own ideas on how things should be done, remember why you are volunteering—everyone is there with the same good intentions.
- 9. Involve Your Friends and Family:** When a family volunteers together, it's a win-win for everyone. The experience can bring everyone closer together, teach young children the value of giving, introduce skills and experiences never before encountered, and create special memories.
- 10. Be Yourself:** Bring your heart, your sense of humor, and your enthusiastic spirit to your volunteer service.
